### WHILE YOU WORK FOR OTHERS BANK YOUR MONEY AND SOME DAY OTHERS WILL WORK FOR YOU

Every owner of every store or factory, almost without exception, was an employe in it once. If you ever intend to be at the head of a large concern you must have the money to back it.

Moreover, if you have the reputation of being "A man with money in the bank" going over the top will be easier for you. Worthwhile concerns will give you responsible positions. They have proof that you are persistent and reliable. No recommendation is half so good.

To bank your money makes your future security threefold. It pays you an annual interest; you have prepared for the opportunity, and the larger salaries adds to your pile the faster.

Common sense should tell you that money will come in hand some day. The only question is:

WILL YOU HAVE IT WHEN YOU NEED IT?  
BEGIN YOUR SAVING NOW.
